Title: INK JET PRINTER AND MAIN MAINTENANCE METHOD

Docket No.: 116570

**REQUEST FOR CERTIFICATE OF CORRECTION UNDER RULE 322**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that a Certificate of Correction be issued in order to correct the errors specified in the attached copy of Certificate of Correction Form PTO-1050.

The application from which the above-identified Letters Patent issued was subject to a Notice of Allowance and Fee(s) Due mailed February 28, 2005. On April 20, 2005, an Information Disclosure Statement with attached Form PTO-1449 listing five references and accompanied by four foreign references was filed. On May 17, 2005, the Issue and Publication Fees were paid.

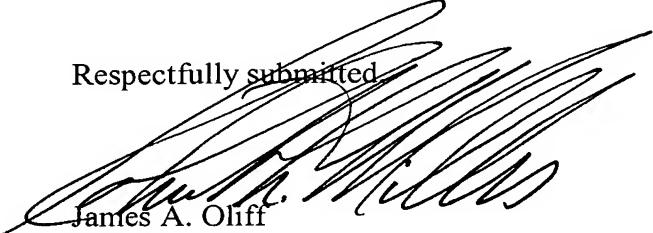

On May 27, 2005, the Patent Office mailed a Notice of Withdrawal from Issue under 37 C.F.R. §1.313 and the application entered back into prosecution. Following an Office Action (mailed June 7, 2005), an Information Disclosure Statement (filed August 2, 2005), and an Amendment (filed September 22, 2005) responsive to the Office Action, a new Notice of Allowance was mailed on December 5, 2005. Applicant had not yet filed the Form PTOL-85 in response to the December 5, 2005 mailed Notice of Allowance and Fee(s) Due. Yet, on January 31, 2006, a Letters Patent, as identified above, issued apparently from the original Notice of Allowance and Fee Payment. The Letters Patent contains the claims as amended in the September 22, 2005 Amendment but for printing claim 6 of the Amendment as both claims 5 and 6 and not printing claim 5 of the Amendment. Further, the Letters Patent does not list the references listed in the Form PTO-1449 that was filed April 20, 2005, even though those references were considered and an initialed Form PTO-1449 was returned to Applicant with the June 7, 2005, Office Action. In fact, it was a reference listed on that Form PTO-

1449 that led to the Withdrawal from Issue by the Patent Office and formed the basis for the Office Action mailed June 7, 2005.

Thus, it is believed that the errors are on the part of the Patent and Trademark Office, and therefore no fee is due in relation to this matter in accordance with the provisions of 37 C.F.R. §1.322. However, should any fee be due, please charge the same against Deposit Account No. 15-0461 in order to ensure prompt issuance of a Certificate of Correction.

Respectfully submitted,
